

10 Year Limited Warranty

GreatMark warrants the plastic base, cone, powerhead cover and caps of the Capsule Game Feeder to be free from manufacturing defects for a period of ten (10) years from the date of purchase. GreatMark warrants that the plastic components warranted above will not crack or otherwise fail under normal operating conditions. This warranty DOES NOT COVER damage, expense or injury caused by wildlife, unauthorized repairs, alterations, incompatible feeds, improper connection, shipping, abuse, theft, accident, neglect or collateral loss. If any component is found to be defective, GreatMark will replace that component (freight not included). Alternatively, GreatMark hereby reserves the option to reimburse the customer for the defective component at the retail price that distributors charge for the same component.

All other components are warranted to be free from manufacturing defects for a period of one (1) year.
